This matter is before the Court on the Plaintiff's Motion to Amend Complaint (Filing No. 45). The Defendants oppose the motion (Filing No. 47), suggesting that it was submitted with undue delay, in bad faith, or with dilatory motive, and will cause unfair prejudice to the Defendants. The Court has reviewed the Motion and the proposed Amended Complaint, and concludes that the Motion should be granted under Federal Rule of Civil Procedure 15(a)(1) and (2). Plaintiff is instructed to file its Amended Complaint as a separate docket entry.
